ABOUT US

Founded in 2002, with offices globally, SAIL International is a professional tax and commercial advisory firm that supports individuals and corporates in optimising their tax position while ensuring global compliance. Whether you're looking to save time and money personally or enhance your business's efficiency, our dedicated team is here to support you every step of the way.

WHY PARTNER WITH US?

Certainty: At SAIL International, we understand that certainty is critical to the success of any business or individual. In a world where regulations change rapidly, financial decisions can be overwhelming, and operational risks are ever-present, we are committed to providing our clients with peace of mind.

So, what does providing certainty mean? It means knowing that you can trust your advisory partner to handle your tax and compliance with expertise and reliability. Whether you're dealing with complex global tax regulations or the need to quickly adapt to changing legislation, we provide advice to assist your business run smoothly and to help you make sure that your financial decisions are sound. This is important because it removes the stress and uncertainty that often comes with financial planning, tax compliance and operational challenges.

Our **team's experience, proactive approach, and comprehensive understanding** of legislation ensure that your business can move forward confidently, knowing that all regulatory requirements are met and that your operations are optimised for efficiency.

Solution-Driven Approach: Our teams focus on delivering the right solution for you and your business. We excel in operating across multiple jurisdictions offering tailored advice and interpretation of global legislation.

Long-Term Relationship Building: We aim to build lasting relationships, starting small and expanding our involvement over time. Clients are often amazed at the depth and value we bring across the support spectrum.

VISION & MISSION

Our Mission Is Simple

To provide our clients with certainty. Wherever you are in the world, we've got you covered! We work with individuals, professionals, and corporates to lower tax burdens and plan for the future. Our comprehensive understanding of legislation, international tax implications, and compliance means we can guide you through what often feels like an overwhelming process.

With our global footprint and industry experience, we're here to make financial decisions easier, so that you can focus on what matters most.

Meet Our Founder

JONATHAN AITKEN

CEO/Founder

Jonty is a chartered accountant and CFA Charterholder. After completing his articles at Ernst & Young in Johannesburg he spent several years in corporate finance with Anglo American plc helping to buy and sell businesses and assets in various continents. He then moved to head up the global corporate finance and strategy teams at the De Beers Group before acting as Group Chief Financial Officer for the market leading Element Six Group. He currently owns and manages several businesses including SAIL International.
